

A New Year, A New Home!

“CASA DA CRIANÇA” A MINISTRY OF GERACAO JUSTA

RIGHT EOUS GENERATION
NEWS LETTER

New Year’s Eve was full of celebration at the orphanage! The children welcomed in the new year in their new home!

We are thankful for so many victories in this past year. The children completed their year in school with success! They are

adapting very well to their new home, with a lot of space to run, play, study, and grow.

As we look forward to 2010, we still have many challenges ahead. We thank God, that two of the ten children are able to attend private school. It is

our desire to see the other eight children in private school as well. This is the only means to guarantee a quality education, and safe environment for learning. We ask you to join us in prayer and in financial support to see this dream realized.

Another huge necessity, is a means of transport for the children. We are asking the Lord to provide a van, capable of transporting everyone to the various day to day activities, and special events in which they participate.

And, we are always looking for groups that are willing to come to Itaberaba, and work alongside us in the abundant ministries opportunities here!

A father to the fatherless, a defender of widows, is God in his holy dwelling. God sets the lonely in families, he leads forth the prisoners with singing....

“Without a Roof” Project (Sem Teto)

This is a project of evangelism and social service developed in the area called Sem Teto (an area where people have no place to live and have invaded the land and put up homes) , in the city of Itaberaba, by the International Ministry of Geração Justa (Righteous Generation), and the International Teaching Institute of Geração Justa (Righteous Generation).

Our goal is to present Christ to the people who live in this area, through evangelism

and by serving them socially, attending to some of the basic necessities of survival, so that the love of Jesus is revealed in their hearts.

The work began in a very poor area with no financial means, and is maintained by the Ministry of Geração Justa (Righteous Generation), which needs help to give support to the people who live in the area.

Please pray about helping us with: Bibles, clothes, shoes, food items, products for hygiene, school materials such as paper, colored pencils, glue, scissors, paint, pencils, erasers, and pencil sharpeners, for the children.

Sewing materials, and materials for manicures are needed to realize the work with the women in the area.

A New Addition to the Children's Home!

Congratulations!

Congratulations to Luan & Ester, who are expecting! The newest addition to home is expected toward the end of August, or first of September! Please pray for a healthy pregnancy, delivery, and BABY!
